GENERAL SCHOLARSHIPS
OFFICE OF SCHOLARSHIPS & FINANCIAL AID
OKLAHOMA STATE UNIVERSITY

PLEASE NOTE these very important items:

1. Not every scholarship listed here is available for award every year. Funding determines availability.

2. While every effort was taken to ensure the correctness of the information presented here, current University policy, State Regents’ policy, OSU Foundation policy, state and federal laws, and/or the intent of the donor who established a Foundation scholarship program (as applicable) will override any outdated or erroneous information listed here.

3. CASH SCHOLARSHIPS: Application deadlines for cash scholarships are normally very firm. Late applicants are considerably less likely to be selected for cash scholarships than applicants who applied by the stated deadline.

4. TUITION WAIVER SCHOLARSHIPS: All new freshman and new transfer student applicants whose OSU admission/scholarship applications are received by the OSU Office of Undergraduate Admissions by the stated deadline (February 1 if first attending OSU in the following fall term, or October 15 if first attending OSU in the following spring term), who submit any/all required additional documentation (as requested), and who meet the published criteria for a tuition waiver scholarship at the time of application deadline will be awarded that tuition waiver scholarship. Awards of tuition waiver scholarships to late applicants, or to on-time applicants who did not qualify for an award (i.e., did not meet published eligibility criteria) at the time of application deadline, will be made only if funding permits; there is no guarantee of an award of a tuition waiver scholarship to late applicants or to late qualifiers. Students who qualify for more than one tuition waiver scholarship will receive the higher value award; a student may have only one tuition waiver scholarship in effect at a time.

For general information about the PDS program (including application deadlines, eligibility criteria, etc.), please see the President’s Distinguished Scholarship description elsewhere in this listing.

OSRHE ACADEMIC SCHOLARS PROGRAM – AUTOMATIC QUALIFIERS (OKLAHOMA RESIDENTS)
This extremely prestigious scholarship program is operated jointly by the Oklahoma State Regents for Higher Education (OSRHE) and Oklahoma State University. Undergraduate students must qualify for Academic Scholar status before entering the University.
AMOUNT: $5,500 ($2,750/semester) cash award plus a full resident tuition waiver scholarship
DURATION: OSRHE cash award – up to 4 academic years (may be extendable beyond 4 years with OSRHE approval). OSU tuition waiver scholarship – up to 5 academic years of undergraduate and some graduate study.
TYPE OF AWARD: Cash scholarship and tuition waiver scholarship. Cash award from the State Regents may be used to pay for any charges on the student’s Bursar account. The tuition waiver scholarship waives resident tuition (only); it does not waive fees. The cash and tuition scholarships normally pay in fall & spring terms only, but Academic Scholars may request summer term payment by applying to OSRHE before the summer term begins. Summer term payment may reduce the overall duration of these awards. Summer term payment increases the number of credit hours the Academic Scholar must earn to renew his/her awards for the following year. (For additional details, see OSU offer letter and acceptance form as well as other informational mailings from OSRHE.)
NUMBER AWARDED: Varies
RESIDENCY: Oklahoma resident. (A somewhat similar program available for nonresident students. See separate section for nonresident automatic qualifiers for the OSRHE Academic Scholars Program.)
AWARDED TO: New freshmen
HOW TO APPLY: Submit the Undergraduate Application for Admission/Scholarships available online at admissions.okstate.edu or in the “Applying to OSU” booklet. Eligible students must also submit a separate application to the State Regents in Oklahoma City no later than the summer before the student’s freshman year.
APPLICATION DEADLINE: Before fall term classes begin
FINANCIAL NEED REQUIRED? No
ELIGIBILITY CRITERIA: OSRHE reserves the right to alter the eligibility criteria for the OSRHE Academic Scholars Program at any time, but currently, the four ways for Oklahoma resident students to become automatic qualifiers for the OSRHE Academic Scholars Program are:

1. Achieve an ACT sum score of 134 or higher (add together all four ACT sub scores from the same national ACT test to calculate the ACT sum score; residual ACT scores do not qualify) or
2. Achieve an SAT score of 1560 or higher from the same national SAT (residual SAT scores do not qualify). (SAT scores from the “new” SAT are computed without including the essay score.) or
3. Be named a National Merit Finalist/National Merit Scholar or
4. Be named a Presidential Scholar.

RENEWAL CRITERIA: Earn 24 credit hours in fall & spring semesters and maintain a 3.25 cumulative graduation/retention GPA to renew the OSRHE cash award. Earn 24 credit hours in fall & spring semesters and maintain a 3.0 cumulative graduation/retention GPA to renew the OSU tuition waiver scholarship; it does not continue renewing indefinitely even if the renewal criteria continue to be met. Achieving the required number of credit hours and the required GPA does not guarantee a fifth year of cash award funding; OSRHE will determine whether a fifth year of cash award funding will be granted.
