OSU Freshman University Tuition Waiver Scholarship

The OSU Freshman University Tuition Waiver Scholarship program provides assistance, as funds are available, to families who need additional financial assistance to make an OSU education possible. We are pleased to offer this one-year tuition waiver scholarship to help you meet your educational expenses at Oklahoma State University.

A tuition waiver scholarship is a reduction of the credit hour tuition you are charged to attend OSU; it is not a cash scholarship. Up to one-half of your award will be credited to your OSU Bursar account each semester (fall/spring) to cover these charges.

This award doesn’t pay for OUTE (Outreach Exception) section courses, including short-term study abroad programs, or other costs associated with your education, such as activity and facility fees and miscellaneous charges. Waivers do not cover some extension/outreach courses; if you plan to enroll in an extension/outreach course, ask the Extension Outreach Office associated with your course for details.

To receive this award, you must:

- be enrolled in at least twelve (12) resident credit hours as an undergraduate each semester;
- be in compliance with the OSU Scholarships and Financial Aid Satisfactory Academic Progress Policy;

We are pleased to have the opportunity to provide this additional assistance to help you fund your education at OSU. We understand the importance of financial assistance to our students and their families, and we look forward to assisting you as you continue your education. If you have any questions about this award or your financial aid in general, please contact our office.
