OSU Incentive Tuition Scholarship

The OSU Incentive Tuition Scholarship program provides assistance, as funds are available, to families with limited financial resources. We are pleased to offer this one-year tuition scholarship to help you meet your educational expenses at Oklahoma State University.

A tuition scholarship is a reduction of the credit hour tuition you are charged to attend OSU; it is not a cash scholarship. Up to one-half of your award will be credited to your OSU Bursar account each semester (fall/spring) to cover these charges. Tuition scholarships do not cover 600-series section courses, which include short-term study abroad programs, or other costs associated with your education, such as activity and facility fees and miscellaneous charges.

To receive this award, you must:

- be classified as an undergraduate student by the OSU Registrar at the time of awarding and disbursement;
- be in compliance with the OSU Scholarships and Financial Aid Satisfactory Academic Progress Policy;
- be enrolled in at least twelve (12) resident credit hours each semester. If you are an OSU senior and you need less than twelve hours to complete your degree in either semester, contact the Office of Scholarships and Financial Aid for information regarding your eligibility.

We are pleased to have the opportunity to provide this additional assistance to help you fund your education at OSU. We understand the importance of financial assistance to our students and their families, and we look forward to assisting you as you continue your education. If you have any questions about this award or your financial aid in general, please contact our office.
