The OSU Opportunity Grant* provides assistance, as funds are available, to families with limited financial resources. We are pleased to offer this one-year grant to help you meet your educational expenses at Oklahoma State University. The Opportunity Grant is a gift; you do not have to repay it.

One-half of your grant will be made available to you for the fall semester and one-half for the spring semester. Your OSU Bursar account will automatically be credited at the beginning of each semester. We have already accepted the Opportunity Grant for you; when you logon to the SIS-WEB Student Self-Service system, you will see the Opportunity Grant on the “Award Information by Year” page.

To receive this award, you must:

- be classified as an undergraduate student by the OSU Registrar at the time of awarding and disbursement;
- be in compliance with the OSU Scholarships and Financial Aid Satisfactory Academic Progress Policy;
- be enrolled in at least twelve (12) resident credit hours each semester. If you are an OSU senior and you need less than twelve hours to complete your degree in either semester, contact the Office of Scholarships and Financial Aid for information regarding your eligibility.

We are pleased to have the opportunity to provide this additional assistance to help you fund your education at OSU. We understand the importance of financial assistance to our students and their families, and we look forward to assisting you as you continue your education. If you have any questions about this grant or your financial aid in general, please contact our office.

*The OSU Opportunity Grant is separate from the Oklahoma Tuition Aid Grant (OTAG) program and the Oklahoma’s Promise Program.
