Your application was selected for review, or “verification.” We are required by federal law (34 CFR, Part 668) to compare the information from your Free Application for Federal Student Aid (FAFSA) with the information provided on this form. Please complete the entire form and ensure both the student and one parent whose information is included sign the form. Incomplete forms will be returned to you. No determination of aid eligibility can be made until all requested documents are received and reviewed.

I. Parent(s):
For household size/number in college, the U.S. Dept. of Education defines “parent” as the student’s legal (biological and/or adoptive) parent or stepparent. The following people are NOT considered “parents” unless they have legally adopted the student: grandparents, foster parents, legal guardians, older brothers and sisters, and uncles or aunts.

Answer the following questions and list parent(s) below:

- Are your parents living and married to each other? If yes, list both below.
- Are your parent(s) divorced or separated and not living together? Or, were your parents never married? If yes, list the parent with whom you lived more during the past 12 months and that parent’s spouse, if remarried. If you lived the same amount of time with each parent, list the parent (and that parent's spouse, if remarried) who provided more financial support during the past 12 months or during the most recent year the student actually received support from a parent.
- Is your parent widowed? If yes, list that parent and that parent’s spouse, if remarried, below.
- Are your legal parents living together and either are not married or are divorced/separated? If yes, list both below.
