The OSU Office of Scholarships and Financial Aid must, by federal regulations, identify students living in housing located on a military base or housing for which they receive a basic allowance under Title 37 of the U.S.C.– Pay and Allowances of the Uniformed Services. These students are only eligible to receive an allowance for board in the determination of their federal financial aid awards. Please provide the information requested below for you (and your spouse, if you are married).

We cannot determine aid eligibility or disburse funds until all requested documents are received and reviewed. If we have already disbursed funds to you, an adjustment to those funds may be required.

Please check the appropriate box.
